

## Alvaro Monserrat Llardén Scholarship Information and Guidelines

*Deadline: March 15, 2019*

*Award is for academic year 2019-2020  
(Summer 2019, Fall 2019- Spring 2020)*

1. The award is given annually
2. The current offering is for next academic year--i.e., 2019-2020.
3. To qualify, one must:
  - a. Be a degree candidate at UIUC taking courses during both semesters of the year when the award is held.
  - b. Present a Study Plan (see Application) in which at least one course with "Catalan content" is taken per semester during the year when the award is held. (A Plan in which two courses are taken in one semester and none in another will be considered as well, but only if it comes because of scheduling problems).
4. "Catalan content" refers not only to Catalan language courses or courses taught in Catalan but also to courses taught in other languages in which the student's paper or project will involve Catalan and be researched using, at least in part, Catalan-language materials or sources. Such courses might be: a course in culture requiring a term paper and allowing Catalan topics, a linguistics course in which a Catalan corpus can be used for a/the research project, a course in literature in which a Catalan literary corpus can be drawn upon for a/the term paper.
5. If the Study Plan involves graduate-level Independent Study courses, an Independent Study petition, with Instructor's signature, must be filed along with the Application for the scholarship.
6. The award is intended principally for study in residence at UIUC. Applications involving Study Abroad or research abroad will also be considered. For such cases, knowledge of, or at least initial study of, Catalan language will be prerequisite.

Please return the completed application into Kathy Schilson, Department of Spanish and Portuguese, 707 S. Mathews Avenue, Suite 4080 Foreign Languages Building, Urbana, IL 61801.
